## ESTABLISHED IN 1957

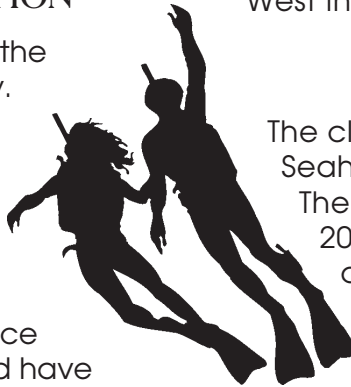

The Ford Seahorses Scuba Diving Club, established in 1957 as a member of the Ford Employees Recreation Association (FERA), is one of the most active dive clubs in Michigan. We are a non-profit corporation dedicated to the enjoyment and advancement of the sport of Scuba Diving.

## OPEN TO THE PUBLIC

You do not have to be a Ford employee to join; Membership is open to the public.

## FULL SERVICE ORGANIZATION

As a *full service* dive club, we cater to the diverse needs of the diving community. We dive in a variety of locations from the cold water shipwrecks of the Great Lakes to the warm vibrant waters of the Caribbean. During the spring and summer we also schedule dives to give all members the opportunity to sharpen skills. We produce The Great Lakes Shipwreck Festival and have a schedule of social activities with family events such as picnics and cross-country skiing.

## BENEFITS OF MEMBERSHIP

- A wide range of diving experiences available.
- Opportunity to develop friendships with others in the sport.
- Take advantage of "mentoring" by our experienced members.
- Educational programs and advanced training.
- Substantial savings on the cost of diving.

**Meetings are held in the Timber Wolf Tavern in Redford on the 3rd Wednesday of each month at 7:00 p.m.**

## TRAVEL

We travel extensively over the Great Lakes and Caribbean. Locations in the Great Lakes have included Tobermory, Isle Royale, Munising, Whitefish Bay, Mackinac, Traverse City, Muskegon and Alpena. Frequent Saturday afternoon/evening charters are planned in the historically rich Port Sanilac area. This allows busy divers the opportunity to shipwreck dive and still have time for their other responsibilities. The Seahorses are not restricted to northern waters. Our travels have included the Bahamas, Bonaire, North Carolina, Cozumel, Turks & Caicos, and the West Indies.

## EDUCATION

The club is rich in educational activities. The Seahorses are the originator and sponsor of The Great Lakes Shipwreck Film Festival, 2005 marks its 30th Anniversary. We offer advanced courses for divers wishing to increase their expertise. Our monthly meetings often include lectures and films on topics as diverse as safety and travel.
